Case No. 05-54727-GWZ

Chapter 7

13 **SECOND AND FINAL APPLICATION**
14 **FOR WILLIAM D. COPE, LLP FOR**
15 **ORDER ALLOWING COMPENSATION**
16 **FOR PROFESSIONAL SERVICES**
17 **RENDERED AND REIMBURSEMENT**
18 **OF EXPENSES INCURRED**

19 **Hearing Date: NOVEMBER 10, 2010**
20 **Hearing Time: 10:00 AM**
21 **Time Required: 5 MIN**

22 William D. Cope, LLP ("Cope"), counsel for Anabelle Savage chapter 7 trustee
23 ("Trustee") hereby makes its second and final application for an order allowing compensation
24 for professional services rendered and reimbursement of expenses incurred ("Application"). In
25 support of this Application, Cope respectfully represents, as follows:

26 **A. Introduction.**

27 Debtor, Scott K. Greene, ("Debtor") filed his chapter 7 case on October 15, 2005 and
28 Anabelle Savage was appointed as trustee. On October 9, 2006, the Trustee filed her application
to employ "Cope" (formerly doing business as Cope & Guerra) and an Order approving this
employment was entered on October 11, 2006. On August 7, 2007 the Court entered in an Order
approving Cope's First Interim Application for Compensation and Reimbursement for Expenses
Incurred and pursuant to such application Cope was awarded \$11,965.00 for services rendered
and \$626.84 for expenses incurred for a total of \$12,591.84.

1 The professional services rendered by Cope for which it was necessary to retain said
2 attorney include, but are not limited to:

3 1. To advise the Trustee with respect to her rights, powers, duties, and obligations
4 under 11 U.S.C. §704.

5 2. To advise and represent the Trustee in connection with all applications, motions,
6 or complaints for turnover, adequate protection, sequestration, motions for relief from stay, and
7 all other and similar matters which might arise in the administration of this case;

8 3. To prepare and file on behalf of the Trustee all reports, pleadings, applications,
9 and similar documents, and to assist and represent Applicant in conducting all examinations or
10 investigations necessary and incidental to the administration of this case;

11 4. To review the claims of creditors and to assist and advise Applicant in
12 connection herewith;

13 5. To perform any and all other legal services for the Trustee which may be
14 incidental and necessary to the administration of this case.

15 **B. Summary of Professional Services Rendered.**

16 Except as indicated in this Application, this Application complies in all respects to the
17 Guidelines and the United States Trustee Guidelines for Region 17 (the "Region 17
18 Guidelines").

19 All professional services for which allowance of compensation is requested in this
20 Application were performed by Cope on behalf of the Trustee.

21 **C. Summary of Compensation and Reimbursement Requested.**

22 By its Application, Cope seeks compensation and reimbursement for expenses incurred
23 for the period effective date June 1, 2007 through August 31, 2010 in the total amount of
24 \$23,538.19 of which amount \$22,807.50 represents compensation for professional services
25 rendered and \$730.69 represents reimbursement for expenses incurred. In addition, Cope
26 respectfully submits that the expenses in which it seeks reimbursement are reasonable and
27 economical and are customarily charged to non-bankruptcy clients of Cope. Expenses incurred
28

1 by Cope to third parties are limited to the actual amounts billed or paid by Cope on behalf of the
2 estate. A description of professional services performed by William D. Cope and the expenses
3 for the time period June 1, 2007 through August 31, 2010 are included in the Statements that
4 are attached hereto as Exhibits A, B, C, D, E, F, G, H, I, J, K, L, M, N, O, P, Q, R, S, T, and U
5 respectively.

6 Cope also hereby seeks approval of all fees and costs incurred through the hearing of this
7 application. Cope will submit a supplement to this application at such hearing.

8 To further assist the Court and others in reviewing professional services rendered, Cope
9 has prepared a summary of the services performed by task. Those tasks are as follows:

10 **General/Expenses** - Costs and expenses from June 1, 2007 through August 31, 2010
11 in the amount of \$730.69.

12 **Fee/Employment Applications** - William Cope 4.1 hours @ \$275.00 and 8.9 hours @
13 350.00, and Melynda Mall 2.9 hours @ \$125.00 and 3.3 hours @ \$150.00, were expended in
14 this category for total hours of 21.2 and total fees of \$5,560.00 for professional service rendered.
15 Cope prepared and aided the firm of Molof and Vohl in the preparation of three (3) fee
16 applications for the prosecution of certain appeals along with orders approving the fee
17 applications and Cope appeared at the hearings for those fee applications. Cope further prepared
18 his first fee application, the order therefore and appeared at the hearing thereon. Cope further
19 worked on, and prepared the instant second and final fee application.¹

20 ///

21 ///

22
23 ¹Cope actually started working on his firm second and final fee application in late 2009 because at the time he was
24 of the impression that matters would be settled with the Debtor and all issues in this case would be resolved and the case could
25 then subsequently be closed. However, the Debtor failed to cooperate and resolve issues. See the Objection to Debtor's
26 Amendments to Schedules filed concurrently herewith. After realizing that the Debtor would not settle and issues would not
27 be resolved, Cope put the initial work on second and final fee application on hold until the present time.
28

Litigation - William Cope 8.4 hours @ \$275.00 and 41.6 hours @ 350.00, and Melynda Mall .2 hours @ \$125.00 and 1.3 hours @ \$150.00, and Carla DiMaggio .9 hours @ \$75.00 were expended in this category for total hours of 52.4 and total fees of \$17,157.50 for professional services rendered. The time spent was for the following matters:

A. Law suit against Debtor and the Debtor's mother, Sharon Brandsness ("Brandsness").

Cope with the assistance of the Trustee prepared and filed a complaint for turnover of various assets against the Debtor and Brandsness ("Action"). To pursue the Action, Cope reviewed various preexisting deposition transcripts of various parties and other evidence about interests in assets that the Debtor did not schedule in his bankruptcy. Ultimately, because the case against Brandsness would have been expensive and difficult to prove, Cope was able to reach a settlement with Brandsness who paid the estate \$1,000.00. The Debtor also turned over various assets to the estate because of the Action. Cope prepared the compromise motion for the Brandsness settlement, appeared at the hearing and prepared the order approving the compromise. Cope also prepared dismissals of the Action as to Brandsness and the Debtor. Cope necessarily spent substantial time and effort pursuing the Action, which Action should not have been necessary had the Debtor appropriately scheduled assets when he filed his bankruptcy.

B. Efforts to resolve issues with the Debtor.

Both Cope and the Trustee spent substantial amounts of time with both the Debtor and his attorney in attempts to settle all issues after the prosecution of the appeal at the Ninth Circuit ("Appeal") in an attempt to cease the expenditure of unnecessary additional fees and costs. There were several times that Cope believed that all issues would be settled between the Debtor and the Trustee after conversations between the Debtor and the Trustee and Cope and Debtor's

1 attorney. However, the Debtor never came to terms. Therefore, expenses and costs in
2 attempting to settle matters increased proportionately.

3 Furthermore, the Debtor amended his schedules with regard to the valuation of his
4 residence after the prosecution of the Appeal. Such amendments caused, among other things,
5 Cope to perform research, correspond with an appraiser and Debtor's attorney, and ultimately
6 for Cope to prepare the Objection to Debtor's Amendments to Schedules ("Objection") filed
7 concurrently herewith. Cope finally decided from a common sense standpoint, that additional
8 litigation would only serve to unnecessarily reduce the funds held by the Trustee in this case,
9 and that the best course would be to file the Objection in an attempt to cease further litigation
10 and the expenditure of further fees and costs.

11 **E. Summary**

12 The present application requesting \$22,807.50 for professional services rendered and
13 \$730.69 for costs and expenses is Cope's second and final request for compensation in this
14 case. Cope will submit a supplement for compensation through to the date of the hearing of this
15 application.

16 Subject to subsequent approval by this Court under 11 U.S.C. § 329 and § 330, the terms
17 of the employment of Cope are as follows: The Trustee agreed to compensate Cope on an
18 hourly basis at the rates customarily charged by the attorneys and legal assistants who render
19 professional services in this case, including periodic adjustments to those rates to reflect
20 economic and other conditions, and, on occasion, to reflect each attorney's and legal assistant's
21 increased experience and expertise in the area of bankruptcy law.

22 Cope believes that his rates are within the normal hourly rates charged by other
23 professionals on matters of the types involved in this case. On the basis of the time expended,
24 the nature, extent and value of the service and the costs of comparable services in matters other
25

1 than a case under the Code, Cope believes the compensation he is seeking is reasonable.

2 William D. Cope, as well as his para-professionals, are requesting fees at the following
3 hourly rates²:

4 William D. Cope	\$275.00- \$350.00/hr.
5 Legal Assistants:	\$ 75.00 - \$150.00/hr.

6 No agreement or understanding exists between Cope and any other person or entity for
7 the sharing of the compensation sought herein.

8 **WHEREFORE**, Cope requests that the Court enter an order as follows:

9 (a) awarding to it the total amount of \$23,538.19 of which amount \$22,807.50
10 represents compensation for professional services rendered and \$730.69 represents expenses
11 incurred;

12 (b) for such other and further relief as to this Court is just and proper.
